

# PRESS RELEASE

**Where Minerals  
Meet Inspiration  
and the Future**

**Greetings**

## **Announcement**

High Titanium Resources & Technology Limited (HTL) has officially lodged its PRCP (Progressive Rehabilitation and Closure Plan) application on 10 July 2025. This represents a significant milestone in advancing project compliance and early development preparation. HTL will continue to progress approvals and construction readiness to ensure steady implementation of the project as planned.

**Sincerely,**

**David Li**  
CEO
